

Your help and ideas are needed!

**The Integrated Care Project Team
Department of Health and Social Care**

Integrated care means offering the public the services they need **at the right time, in the right place**, as close to home as possible.

Input from the community is vital to develop health and social care services in Peel and the west of the Island – so **your** views matter!

Come along to our September drop-in event to share your views and suggestions with a member of the team.

Date: Wednesday 19th September 2018
Time: call in anytime between 4pm - 8pm
Venue: Peel Centenary Centre

Refreshments will be served and all are welcome!
